

Monthly...from the President - May 2012

Zamil Group Holding Company has relocated to its new Headquarters at **Zamil House** in the city of Al Khobar. Executives as well as all the Corporate Functions have settled in the new building past the Gulf Meridien hotel on the coastal road in Al Khobar. The building, equipped with state-of-the-art communication and security technology in addition to an exceptional view of the city of Al Khobar and the Arabian Gulf, presents an exceptionally conducive work environment.

Zamil Offshore Services Company (ZOSCO) celebrated on Wednesday 4 April 2012 the launching of three port service boats for Ras Al Khair port, as well as the keel laying for three offshore support vessels for its own account. The new offshore vessels will be operated by ZOSCO's Marine Operations Division.

The celebration was attended by GCC Military industrialization delegation in the Secretariat General for Military Affairs in the Gulf Cooperation Council States responsible for aligning the plans to coordinate military manufacturing requirements aiming at advancing local military industries and investment in such sector to create a sound and viable military capability which can meet the needs of the armed forces of the GCC States.

Zamil Industrial held its Annual General Meeting in an ordinary session on Sunday 8 April 2012 featuring e-voting. This facility enables shareholders to vote on the agenda items from remote locations via internet access to Tadawulaty website. This new feature was utilized successfully by a great number of shareholders.

Zamil Alpla Plastics Middle East Company, a joint venture between **Zamil Plastic industries and Alpla-Werke**, Austria, was awarded a 3 years contract by **National Cleaning Company (Clorox)** to manufacture and supply 473 mm bottles to their plants in Jeddah and Dammam.

Zamil Architectural Industries organized its Employee Service Award Ceremony on 10 April 2012 commending 79 employees, whose tenure exceeded 15 years, for their dedicated and outstanding contribution to the success and growth of the business. A similar celebration was held for other Zamil Architectural Holding Company affiliates raising the number to 135 awardees who were recognized during this year's Award Ceremonies.

Universal Metal Coating Company Limited (UNICOIL) organized a 3-day in-house advanced training program on "**Field Incident Command**" attended by participants from **UNICOIL, Zamil Plastic, Zamil Group JV affiliate, Middle East Battery Company and Rashid Group**. The training program was designed to create awareness and expose participants to global best practice in Incident Command System: managing emergencies and disasters.

Zamil Operations and Maintenance Co. (ZOMCO) has been awarded a three year contract to provide operation and maintenance of water supply, sewage and cooling water systems in Jubail Industrial City.
